The presentation focuses on painting and sculpture, with themes of nature uniting artists Eriksson, Guzmán and Zerbini. Painters such as Coon and Rothenstein uniquely depict figuration in their work. Vibrant wall-based textiles and tapestries by Hansen and Shonibare are included, as well as a new series of large bronze masks by Baldock.

Notes to editors

Sarah Ball was included in group exhibition, 'I'm Stepping High, I'm Drifting, and There I Go Leaping' at Xiao Museum of Contemporary Art, Rizhao, China in 2022 and is featured in 'Being In the World: The Tenth Anniversary of the Long Museum', Long Museum, Shanghai, until May 2023.

Luiz Zerbini's major solo presentation 'Trees', travelled from Fondation Cartier in Paris, France to Power Station of Art, Shanghai, China in 2021.

Stephen Friedman Gallery

Stephen Friedman Gallery represents exceptional artists from around the world. Since its inauguration in 1995, the gallery has been based in London on Old Burlington Street, Mayfair. The gallery has three spaces in which it hosts solo and group exhibitions throughout the year. Additional works can be viewed by appointment in private rooms and office spaces. There is also a facility to exhibit outdoor sculpture in a landscaped private garden.

In Autumn 2023, Stephen Friedman Gallery will expand and relocate to Cork Street, Mayfair. The new location will be designed by award-winning London architectural firm David Kohn Architects.
